DYNADECK

<p>DynaDeck is a waterproof, three part composite carpet replacement combining the high thermal insulation capability of DynaLiner with the low-frequency exhaust noise rejection of DynaPad. The top layer is a durable deep twist embossed vinyl grain that matches the textured floor pattern of vintage cars. DynaDeck does not absorb water and is ideal for use in street rods, jeeps, convertibles and vintage sports cars, where a durable, waterproof floor material is desired.</p>		
<p>21203 769103212030</p> 	<p>DYNADECK - CARPET REPLACEMENT • Durable Embossed Vinyl Mat • High Thermal Insulation • Waterproof • 810mm Wide x 810mm Long</p>	<p>\$299</p>
